

AHMED MANUFACTURING CORPORATION

COMPANY PROFILE:-

Ahmad Manufacturing Corporation (pvt) Ltd. has the distinction of being the pioneer to manufacture & export the highest quality & most value added terry toweling products from Pakistan.

Established in 2004, our company is equipped with latest state-of-the-art sophisticated machinery and computerized systems imported from Europe to manufacture the highest standard of toweling products with the most reliable quality and service.

AMC has become the leading manufacturer & exporter of terry toweling products in a short span of time. Our customers across Europe, USA & Australia would endorse our claim that Alhamdulillah today, our products are of the highest quality. We are exporting 100% of our production & live by our core values & philosophy.

With ongoing globalization, we are concentrating in building strong relations with our customers. Partnership being the foundation stone for the development of a successful relationship, since 2006 we have a STRATEGIC PARTNERSHIP with World Renowned Towels & Bathrobes Manufacturing Company of Belgium, Santens owned by Descamps Group.

Vision & Mission

Vision: To be world's most dynamic and leading home textiles manufacturing company.

Mission: To be innovative, sustainable, environment friendly and socially responsible.

Core Values
