

AL- BUKHSH GROUP OF COMPANIES/ COMMODITIES

COMPANY PROFILE:

Al Bukhsh Group of Companies is a family owned business running for last eight decades and now served by our 4th generation. Our business subsidiaries are working in several Industries such as Food Stuff such as rice production and processing, commodities trading, Health Care/ Nutraceutical, construction, engineering etc.

Our companies are the members of many reputable trade bodies and organizations, and providing products and services with maintaining international quality standards. Over the years we have managed to carve out a niche for ourselves with an increasing demand for our products worldwide.

We understand that success is a result of a sincere desire to go the extra mile and take responsibility for actions. Our teams of experts have years of experience in the industry and have the resources and a strong network that they can leverage. Team members were handpicked and chosen for their commitment to excellence and expertise. The dedication of the management along with a great team of competent employees is truly the major reason for sustained success and quality over decades.

Under the able guidance of its Management, Al Bukhsh Group of Companies is looking to work hard and diligently to expand and strengthen the group. We are also going to expand our community development projects by partnering up with renowned local and international agencies to provide much needed services in the education and public health sectors for some of the most impoverished areas in Pakistan.
