

Company Profile:

Anwar Textiles is working in the field of Towels since 1974. We are the manufacturers and exporters quality towels and other items for our well thought-of buyers. We are satisfying our customers all over the world to the best of their requirements and expectations. Customer service and response are the key to our success in a highly competitive market. Anwar Textiles meets the demanding standards its customers require. Our dedicated resourceful personal are trained to have specialist knowledge of their job.

Product Range :

Snag less, Thermal, Bath, baby & other variety of products.

Premises :

We manufacture all the above items in the same roof. Our covering area consists of almost 65,000 Square feet and has four floors excluding the office. Our office is situated on the mezzanine floor and covers almost 1995 square feet. We have two elevators for carrying goods. Apart from that, for keeping goods in the warehouses we have big places, which consist of approximately 13,500 square feet, and we have two warehouses of the same capacity.

Office Staff :

Most of the employees are well qualified, amongst who are four M.B.As who are operating the Marketing department. We have an I.T professional who is operating our I.T department. We have qualified accounts staff, who keep the accounts up dated. In the fabric side we have a fabric manager who is a specialist in fabric weaving, he has a textile engineering degree, and can easily find out the solution to any problem in weaving.
