

Asia Megafoods PVT ltd

Introduction:

Way back in the 2003, Asia Mega Foods was established with a single aim to specialize in the food industry especially fresh fruits and vegetables as well as traders in Rice, Spices, Dry Fruits, Food stuff and Pulses. Since then the company has set its vision to be amongst the biggest wholesaler, importer and exporter of our country.

The policies adopted by us strictly emphasize on the quality assurance to our buyers at economical cost originating has been company's vision and mission, conforming to the legislation in force and assuring food safety during all technological processes. It is only the "quality" through which we aim to achieve excellence in this vast sector. We strive to provide the highest standards, deliver quality products, excellent customer services and actively pursue consistent hygienic improvement.

The export goods are well sorted, graded, strict quality controlled, packed and shipped to the customer's destination. We strive to provide the highest standards, deliver quality products, excellent customer services and actively pursue consistent hygienic improvement. All the workers are equipped with sufficient experience of handling perishables and good knowledge of post-harvesting handling and its related produce.
