

BOLA GEMA- Pakistan

COMPANY PROFILE:-

BOLA GEMA is a professional manufacturer of SPORTS BALLS, SPORTSWEAR & SPORTS BAGS (both professional & promotional). We are SA 8000 certified, members of PSI Europe & WFSGI- Switzerland.

Our products meet European Standards for safety of toys covering EN 71 (1,2,3,9), REACH, LOW CADMIUM, PCP, DMF etc for which complete SGS / TUV Lab Test reports are available.

BOLA GEMA is serving PSI, PPAI & IPPAG suppliers for the past several years with complete quality assurance and competitive prices.

QUALITY is the key for BOLA GEMA and is the only reason we not only get repeat orders from our regular buyers but new buyers keep joining BOLA GEMA for their requirements.

With implementation of SA 8000 social compliance standards & a newly built production facility of 7200 sq. feet that will be extended to 24000 sq. feet by end of 2013, BOLA GEMA is effectively targeting new customers so that it may benefit its workers, runs its production units effectively and be a source of QUALITY supplies for its buyers thus makes a WIN / WIN situation for itself and its buyers.

We ship direct factory to all across EU, North & South America & Australia.
