

EUREKA SPORTS

COMPANY PROFILE:

Eureka Industries, which was established in 1982. It was innovation and now classic. First of all, I, Sohail Khalid, CEO of Team Eureka, Would like to thank our customers an professional team in completing two decades of complete success and prosperity.

It is our policy to maximize consumer surplus either, he is a wholesaler, retailer or player and to authenticate it has been certified by SA 8000 and ISO 9001. I would like to highlight following departments enabling us to compete.

RESEARCH & DEVELOPMENT DEPARTMENT

By the help of our professional team we had developed a R & D department working continuously and leaving no stone unturned to be in the front line of market leaders. Team Eureka is consistently accepting the challenges either on the fields or off the fields. Research is on for innovations like new materials and designs in performance, impermeability and breath ability. The designing department flourish it's our own designs with new ideas to fulfill our customer's need according to the requirement.

HUMAN RESOURCE DEPARTMENT

It is our duty of the HR Department, Eureka Industries, to not only train the labor for like new skills, technology but also update them for their rights and benefits, like old age, retirement benefits and free transportation, food and health.
