

Company Profile:

Hussain Textiles Capitalized 1990, on its vast experience as reliable manufacturers, exporters, fashion designers of all kind of textile Made-ups. The factory is located in the industrial heart of the city with complete range of modern textile machinery. Hussain Textiles has the capability to handle large quantities of textile items with assurance of constant availability of the same specification on regular basis. We have the skills and the resources to manage quantity needs of varying levels including sizeable changes. We can assure quality control and regular supply on time because of vertical intergraded structure. We maintain professional management at all levels of manufacturing to check and control quality merchandise.

Hussain Textiles has its own weaving & processing arrangements. The company has its own ware housing inspection, checking and packing facilities on floor for Grey and Finished fabrics. It also has its own stitching facilities for all types of Textile and Made-ups.

The management maintains its on-going review of the company's policies, work place practices and the range of benefits we provide. We work to create a positive corporate structure where our prestigious clients can benefit and we can continue to grow and change and meet the challenges of the future.
