

MATCO RICE PROCESSING MILLS

COMPANY PROFILE:-

Matco Rice Processing (Pvt.) Limited is one of Pakistan's leading Basmati rice exporting companies with exports to over 65 countries around the world. Today, Matco holds not only the credentials of working on the world's most modern rice processing plant but also of producing well-cleaned, graded and textured Basmati & IRRI rice for its valued customers in any quantity. Our Rice Processing plant is highly automatic and the rice grain is not touched by human hands from the time of its feeding into the plant till the final stage of automatic packing in different quantities from 1kg to 100 kg.

Matco has won FPCCI's prestigious Export Trophy Award every year since 2002. This year in 2011 Matco has been awarded the 34th FPCCI "**Best Export Performance Award (2009-2010)**" and "**Special Merit Export Award (2009-2010)**" by Honorable President of Pakistan, Mr. Asif Ali Zardari.

"Falak" is our flagship brand, which is exported to over 60 destinations via a global network of distributors. Brands Award Council of Pakistan has chosen "Falak" as the Brand of the Year. We have been receiving 'Brand of the Year Award' for the past three consecutive years.

As a company that believes in constantly pushing the bar higher for itself and its peers in the rice industry, Matco has embarked on a mission to invest in the most modern agro-processing infrastructure that addresses the post-harvest losses problem in the rice industry of Pakistan. By the Grace of the Almighty, Matco's dedicated management and team has been successful in bringing Matco's Sadhoke Project into complete commercial operations in a record time of 9 months from the date of inauguration.

In spite of prolonged monsoon rains that severely hampered progress, Matco achieved this phenomenal success due to extensive planning and its philosophy of harnessing the best resources. Matco has started purchasing paddy during the current rice season at the Matco Sadhoke plant.
