

NASEEM FABRICS

Manufacturer & Exporter
of Quality Textiles

COMPANY PROFILE:

In early 70's our Mr. Naseem Ahmed (Late) Started with power looms and supplied fabrics to local market. In late 90's we started exporting our products directly to foreign customers. Today with the grace of almighty ALLAH we are providing power, Auto, Sulzer, Water jet and Air jet fabrics and home textiles to international market.

All the credit of our progress and growth goes to our technical team and management. Today we are at this stage just because of our hard working employees.

Furthermore my heartiest gratitude to all our valued customers and representatives who trusted on our quality and services.

Weaving Capacity

We are capable to produce 1 million mtrs monthly (app) in required constructions and widths.

Printing & Finishing

We've a very good arrangement to process and print the fabrics in different widths and finishes and also capable to print up to colors design.

Embroidery unit

We've latest Japanese and Koreans multi head Embroidery machines in which we are capable to produce value added products for our valued customers.

AREA OF INTEREST:

HOME TEXTILE
