

PREGMEA

COMPANY PROFILE:

The Business Support Organization to tackle the Gloves Industry related matter on national and international level is named as **PAKISTAN GLOVES MANUFACTURERS AND EXPORTERS ASSOCIATION** with its Head Office at Sialkot (Pakistan), an export oriented City which exports approx 1.2 Billion US\$ of different categories of Products such as, Leather Gloves, Leather Garments, Sports Goods, Surgical Instruments, Martial Arts Equipments and accessories. This prime ASSOCIATION was established in 1978 on all Pakistan Basis under the license of Federal Ministry of Commerce, Government of Pakistan. Initially the variety of Gloves was not of wide range – but with the passage time, now all Sorts of Gloves like, Motor-bike Gloves, Cycling Gloves, Boxing Gloves, Winter Gloves, Fashion Gloves, Industrial & Labour Gloves are the main exportable products.

The volume of Gloves Manufacturing / Export Units projects for around 1500-units based on SME'S with the involvement of 150,000 Skilled & Semiskilled manpower. The updated yearly export figure of Gloves of all sorts is US\$ 300 Millions.

In order to facilitate the Gloves / Leather Industry, Pakistan Gloves Manufacturers and Exporters Association is organizing TWO major Centres namely:

- 1) Leather Products Development Institute. (LPDI).
- 2) Cleaner Production Centre. (CPC).

These Centres are playing a momentous functional role for the specific industry. Therefore, briefly stating that;

LPDI is the training Institute where skilled manpower is produced for Leather Industry to meet their requirements with updated technological methodology, keeping in view the international market necessities and standards.

Similarly, CPC is managing the environmental programmes to make the pollution free environment in order to meet the international standard compliances. Besides, CPC is also managing TWO internationally accredited Laboratories meant for testing materials of export oriented products of Leather Sector in order to meet the international standards of quality.
