

**SAMI
TEXTILE**
(Pvt) Limited

COMPANY PROFILE:

Sami Textiles was established in 1990 with trading of commodities and gradually entered into the manufacturing of various products. The Company has a success story spread over seven decades, expanding its horizon from trading to manufacturing.

Remaining true to its founding principle of striving for excellence, the Company combined the vision of an entrepreneur, the knowledge of experts, the commitment and business expertise to develop its core strengths, vision and mission. With the commitment and effort of its employees, professional management and vision of its sponsors, the Company has achieved the standing of being the most progressive and fast growing conglomerate in Pakistan. The Company has made exceptional progress in the last two decades and diversified into manufacturing of Textiles. The Company's future plans and growth matrix are strategically designed for further portfolio diversification in the home textiles. The commitment to corporate social responsibility at Sami Textile is evident in a wide variety of areas including the quality and safety of products, environmental, health and safety initiatives, ethical manufacturing programs, philanthropy initiatives, community relations, human resources, corporate governance and the code of conduct.

Sami Textile assures that all its businesses are managed in compliance with business ethics as defined through its policies. Realizing its responsibilities as a good corporate citizen, the Company contributes substantially to the economic development of Pakistan through taxation, exports and by with over 1,000 people associated with our business operations, in various capacities.

OUR MISSION

To create continuous value for our customers and consumers, inspiring confidence and respect through the highest levels of product quality and service.

VISION STATEMENT

To be a dynamic business company, building robust businesses that excel at serving their customers and stakeholders through exceptional products and services in industries and markets that support progression and economic growth at community, society and country level.
