

Company Profile:

The company was established in the year 1982 and it's a family oriented and owned business. The individuals of the organization have dedicated themselves to provide complete consumer satisfaction with a clear vision of best quality products to be competitive in today's international market. As the organization hasn't looked back since then, therefore, since last two decades the name of the company has been a symbol of excellence, consistent quality, and reliability and consumer satisfaction.

Silver Textiles as a matter of fact have been exporting the goods in various regions like; Middle-East, England, Germany, North America and South America. The journey been not so easy but our sound founding principles, constant endeavors for perfection, consistent hard working of individuals efficient and effective time management have enabled us to become the premier name in today's Pakistan Textile Industry as well as in highly competitive international market. During these two decades the organization have expanded at a rapid pace as our manufacturing capabilities matured and grooved to meet the exceeding demand of our products in the international world market.
