

## **Akbar Brothers Limited**

### **Company Profile:**

Akbar Brothers Ltd is a family owned and family managed company specializing in the export of Ceylon tea. The Akbar family has five generations of experience in the tea trade which extends to the year 1907. For the past twenty-four consecutive years, we have been the largest exporter of tea from Sri Lanka. Last year, we exported over 52 million kgs of tea which is nearly 15% of the Sri Lankan tea crop. This is more than the combined volume of the 2nd, 3rd, 4th and 5th largest exporters. We always try to give our customers quality products and we keep our pricing competitive. We are ISO9002 and HACCP certified.

The four state-of-the-art tea processing centers of Akbar Brothers Limited provide a total area of 680,000 sq.ft. Include the tea bag factory which holds more than 65 tea bag machines. Transport facilities for tea, to and from, Akbar Brothers Limited premises as a rule, is only provided by Akbar Brothers own fleet of trucks and prime movers. All these vehicles are attentively maintained for efficiency and cleanliness by the company's own qualified technical staff.

Tea remains Akbar Brothers Limited core business as ever. However, with the strength and stability thus consolidated, the company's business portfolio has subsequently diversified over the years. Accordingly, the company has moved in to the fields of Power Generation, Pharmaceuticals, Flexible Packing, and Property Development.
