

DJ Products, Sri Lanka

Company Profile:

DJ Products (Pvt) Ltd is a limited liability company established in Sri Lanka based in the Industrial Estate at Ratmalana, Colombo, Sri Lanka involved in food processing, trading of essential food items and manufacturing of textiles including surgical gauze for the local market. DJP was established in year 2000 manufacturing surgical gauze to meet the state health sector demand and diversified its business interests into spices, condiments, grains and now into textiles. Over 100 have been employed under privileged rural women in Colombo and Gampaha Districts, Sri Lanka. DJP believes in shared values supporting the national effort to empower people working directly on community based projects now functioning in Papiliawela, Bandaragama, Ihala Madampella and Moratuwa in multiple locations. DJP is an evolving company targeting emerging demands anticipated in the local market mainly focusing on retail outlets and franchises to explore expected economic boom within the country even taking the overseas markets are among the new initiatives.

We are also at people promoting Textile Manufacturing as a major and traditional income earning initiative in Ihala Madampella village in Divulapitiya D.S. Division. The villages are talented in their textile weaving and they possess inherent skills on the subject by inheritance, earning opportunities for high end market oriented products. We also work CSR projects to significantly change the lives of, at risk children by providing child abuse prevention and treatment services; Increasing the scope, depth and volume of services, we will engage in continuous discovery through research to determine and implement what works well and be a passionate advocate on behalf of children, Ensure children and youth are healthy, safe, and prepared for a productive adulthood, Facilitate families are able to provide a healthy and supportive environment for their children, The project is in partnership with Sri Lanka United Nations Friendship Organization (SUNFO) based in Karandeniya off Elpitiya in Sri Lanka.
