

Dankotuwa Porcelain Plc.

Company Profile:

Dankotuwa Porcelain PLC is a leading manufacturer of Quality Porcelain Tableware for all Life styles. We learned the art of manufacturing porcelain by combining the oriental Japanese skills with western technology from Germany. The High Quality and the elegance of our products is attributed to our ability to combine human dexterity with modern porcelain technology. We endeavor to manufacture products sought after by true connoisseurs the world over to be the perfect accompaniment to every dining experience.

With an eye for detail, and technical and human capabilities to adapt to the changing tastes of industry and client, we will continue to serve up the kind of product that has made Dankotuwa porcelain synonymous with quality and elegance.

Area of Interest/Sector (for B2B):

PORCELAIN TABLEWARE for the Hospitality, Retail & Corporate Sectors.
