

DESIGN STUDIO

Design Studio

Company Profile:

Design Studio is a multi-disciplinary office working in the fields of architectural design, graphic and print design, fine arts and crafts. We have been actively promoting indigenous methods, materials and crafts in our work and have conducted various exhibitions and workshops to help expose our local art and ideas internationally. At design studio we strive to develop and improve the state of the traditional arts, incorporating them into our everyday work, with the intent that they may evolve with time and have the right exposure.

Area of Interest/Sector:

Architectural Design, Fine Arts, Graphic Design, Traditional Arts.
