

HEMAS MANUFACTURING (PVT) LTD

Company Profile:

Hemas Manufacturing (Pvt) Ltd is a leading FMCG company in the personal care sector in Sri Lanka. We are a part of a large conglomerate, Hemas Holdings PLC (www.hemas.com) which has a rich heritage of 70 years and listed in the Colombo Stock Exchange. Our products range from **Baby Care (Soap, Shampoo, Cologne, Cream, Lotion)**, **Oral Care (Tooth Paste/ Gel, Mouth Wash)**, **Skin Care (Soap, Body Wash, Lotion)**, **Hair Care (Hair Oil, Shampoo, Conditioner, Serum)**, **Fragrances (Deo & Cologne for Men & Women) & Sanitary Napkins**.

WE have a state of the art factory which is ISO 9001 & GMP certified and all products are registered with the CDDA. We also boast of a hi-tech research Centre with strong R & D team who are continuously working on new product developments.

Being a dominant player in the Sri Lankan market with market leadership in many categories we have started a journey, going global. Currently we export our products to 14 countries and we are aggressively looking at expanding to more geographies.

Area of Interest/Sector:

Cosmetics, Baby Care, Personal Care, Home Care, Find Importers and Distributors (to supply our Brand of products to the Pakistan Market).
