

INTERNATIONAL TEXTILE LIMITED

Company Profile:

Established since 1970's, International Textile Limited has made a name for itself in the market by proving to be a reliable manufacturer of high quality Towels, & Textile made-ups. With an annual turnover of \$100 million and daily in-house production capacity of 50 tons in towels, we believe in building business relationship on the basis of trust.

Primarily being an exporter of towels, we gradually diversified our product line by entering into the Institutional as well as the Retail end of the business.

To meet the challenges of international business, ITL is certified for its quality standards & reliability through ISO 9001, WRAP (World Responsible Apparel Production), Oeko-Tex 100 Standard, C-TPAT, BSCI and Sedex certifications and achievements.

Area of Interest/Sector:

Terry Towels, Kitchen Range, Bath Robes & Institutional Products
