

Panorama international

“Panorama feels great honor introducing itself to be one of the leading manufacturing company of surgical and dental instruments. Professionals always prefer panorama instruments, which is our pride.

Our all instruments are manufactured by the high quality stainless steel made on our requirements, every instrument is hand crafted with the highest workmanship available in the industry. Through heat treatment the instruments are hardened and tempered for proper functioning and long life. All instruments are polished electrolytically and manually for maximum resistance to corrosion and long life.

Panorama pays special attention to the needs of the doctors, with innovative designs to meet the needs of professionals. The wide assortment and standard patterns and exclusive panorama designs gives you the most desirable range of surgical and dental instruments. Over several years we have earned the reputation for manufacturing highest quality standards of quality and service. To manufacture instruments that meet your changing demand is our achievement. Our highly skilled staff of professionals will continue to serve your needs and will try their outmost to uplift the standards which we have set in the past.

With your cooperation and guidance, panorama will continue serving surgical and dental instruments in future.”
