

## Paradise Industrial Corporation

### Company Profile:

Our range of products include Perfumes , Cosmetics and Personal Care products including EDT (Eau De Toilette ) , Eau De Perfume , Skin Care products and family care products

**PARADISE INDUSTRIAL CORPORATION** belongs to a group of companies with diversified activities. We operate from ISO 9001 certified manufacturing facilities in the Export Free Zone, where we get the advantage of tax free imports of our raw materials and this enables us to compete in the international markets with quality products

With Quality Management System as a priority , we follow good manufacturing practices, a stringent quality control and an effective Research & Development Department which keeps abreast with the requirements of international standards.

We continuously strive for excellence by living upto our reputation as a company which can be trusted. *Quality , innovation, dynamism and customer focus* are our main objectives. Our association with Creation International Limited – UK has provided us an additional space in the international world.
