

**Puritas (Private) Limited**

**Company Profile:**

Puritas (Private) Limited has been in the forefront of providing water and wastewater solutions in the region with over 380 treatment plants in Sri Lanka, the Republic of Maldives, Indonesia, Thailand and Myanmar, catering to the needs of the environmental engineering and management sector by providing specialized turnkey solutions in the purification industry. Puritas also manufactures and markets Value Added Activated Carbon based purification products. Being a fully owned subsidiary of Haycarb PLC and a member of Hayleys Group, Puritas (Private) Limited is the exclusive representative in Sri Lanka and The Republic of Maldives for Veolia Water, which is the world's largest water purification company.

'Oxypura' is the internally developed brand of Puritas – well established facemask in Sri Lanka and is manufactured using locally processed coconut shell based activated carbon (for filters). Oxypura includes wide range of facemasks catering the needs of motorcycle riders and workers involved in and exposed to industrial environment/emissions. Further, 'Mr. Fresh' and 'Bin Fresh' are premium odour remover products used for refrigerators and garbage bins.

Puritas' primary presence in foreign markets is Republic of Maldives where it has extensive experience in design and construction of water & wastewater purification systems for 12 resorts and hotels and carrying-out Island Sewerage & Water Network system projects for seven (07) islands including, L. Maamendhoo, Hulhudhoo, Maradhoo-Feydhoo, Hithadhoo – North and South for FENAKA Corporation – a wholly owned government utility company with a mandate to provide water, sewerage and electricity and Th. Thimarafushi carried-out by Ministry of Finance & Treasury for Ministry of Environment & Energy. Utilizing our experience in a variety of segments in the industry.
