

SILVER TEXTILE FACTORY

Company Profile:

Silver Textile Factory opened its door in 1982 and has not looked back since. For over 2 decades our name has been synonymous with quality. Reliability and customer satisfaction. The Journey has not been easy but our strong founding principles and constant endeavors for perfection have enabled us to become one of the premier names in Pakistan's highly competitive textile industry.

Over the past 25 years we have rapidly expanded our manufacturing capabilities to meet the ever-growing demands of our products in the in the international market Currently we are manufacturing a board range of products including bath linen, kitchen linen, bath robes and various institutional products.

Our manufacturing facilities are equipped with the latest machinery and equipment which are constantly upgraded and streamlined in order to keep up with the latest in textile technology. Being a complete vertically integrated unit enables us to monitor the production process at every step of production, from spinning throughout packing is monitored to assure product quality each step of the product quality. Our high capacity power generation unit assures non-stop production at all areas.
