

Vision Trading

Company Profile:

We are manufacturers of Plastic Components for the Automotive, Medical and the fashion Industries. Our Product line includes Outer Door Handles for Cars, Indicators and Backlights for Motorcycles, Sterile Containers and Shoe Heels. Our die making is thorough our office in China, which has enabled us to get good quality molds.

We are also dealing in Handmade Footballs, T-shirts and Promotional Items for our clientele in Europe and the USA

Area of Interest/Sector:

- 1) Plastic Components
- 2) Footballs
- 3) Garments
- 4) Promotional goods
