

## KARACHI SCHOOL OF ART

TO,  
Rabiya Javeri Agha  
Secretary TDAP .

Respected Madam,

Karachi School of Art , its Faculty and students, congratulate you for holding a successful Expo Pakistan 2013. This is the biggest expo in the series in terms of the participation by the local vendors and international buyers.

I would like to thank you for giving Karachi School of Art the opportunity to participate in this expo. The beautiful creative display put up by our Art School was highly appreciated by every and each person who visited the expo and was one of main centre of attraction as well. I was approached by many international and local persons who were interested in the colourful display put up by us which was also representing the "Go Green concept" which is now applied mostly everywhere in developed countries. I am actively pursuing a few local firms who were interested to work along with my students.

Asma. F.Habib  
Head Of Textile Department  
Karachi School Of Arts
